

IMPORTANT REMINDER!

As the sailing season draws to a close I would like to take the opportunity to remind you of a couple of important actions which need to take place prior to next year's season.

As a part of your Annual Couta Service and antifouling we are requesting the following report be completed and returned to us with current photos of your Couta.

This is done so that we can ensure in the event of a claim your Couta is returned to pre-season condition as soon as possible.

If your Couta is on a swing mooring for part or all of the year we ask that a copy of the mooring service be forwarded to us for our records.

Again this is done so that in the event of a claim resulting from your Couta breaking her moorings we can prove that all due care has been taken to ensure the safety of your Couta's mooring.

I trust that you had a great season, and are no doubt longing for the good weather to be on us again.

As always please do not hesitate to contact me with regard to your Couta or any other Insurance requirement.

Thank you for your continued and ongoing support.
